RE: Written Notice of Start of Construction

Dear Mr. Mauck:

Attached please find the required DES form providing notice of start of construction of the Antrim Wind Project. AWE provided a previous notice for start of construction in January that pertained to tree clearing activities on site. AWE has now issued final notice to proceed to its contractor and earthwork is expected to start on or about August 6, 2018.

Should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Jack Kenworthy", is written over a light blue horizontal line.
